JULY 2026 – NEWSLETTER

Dear Brothers and Sisters in Christ,

July 4th, and the 250th year celebration of our country will be in full swing this week. So, for sure, summer is upon us once again, bringing vacations, ball games, cookouts, camping, gardening, and time spent outdoors with family and friends. There is something renewing about slowing down, enjoying God's creation, and stepping away from the usual routines of life.

Paul reminds us that even when we grow weary outwardly, God is still renewing us inwardly day by day. Through the Holy Spirit, God strengthens our faith, refreshes our hearts, and draws us closer to Christ.

I encourage all of us to seek renewal this summer in every part of life. Spend time with family. Laugh often. Rest when you need to rest. Enjoy the beauty of summer. But also continue to make worship and time with God part of your routine. The Holy Spirit continues to gather, renew, and guide us wherever we may be.

Whether you are here at Stull Community of Faith, or traveling this summer, stay connected to worship. If you are away, visit another congregation and experience the larger family of God at work in other places as well.

What a blessing it is to gather as one church family to worship, pray, sing, and celebrate God's grace together.

See you Sunday!
Pastor Kyle

You can watch our 11am Sunday worship services on YouTube on Sunday afternoons of each week. Visit www.stullcoff.com, click on multi-media tab in the menu across the top third of the page, click on You Tube on the left side of that page; you will be taken to each week's service.

We welcome Chun-Hui Yang (Julia) as our new church accompanist. Julia is from Taiwan and completing her dissertation at the University of Kansas.

We are looking yet for a worship leader to join our praise team for our Sunday service. If you or anyone you know would be interested, please have them email us at info@stullcoff.com for additional details.

FINANCIAL REPORT:

God provides for the ministries of our church through your gifts and offerings. Your gifts are then honored with faithful stewardship, ethical business practices & accountability by our Ad Team. It is more than keeping the lights on & gears turning. It's about our personal relationship with God and giving back what He already owns. We are truly blessed by His grace and by all of the gifts and offerings received.

‘Turning Change into Learning’ is our new ministry project for Back 2 School 2026! We are encouraging folks to fill a pencil pouch with loose change from now through July 26th. We will then convert that change into backpacks and new outfits for students. If you are interested in a pencil pouch, please email us at info@stullcoff.com

Fall will be the perfect time to stay ahead of seasonal illnesses. Heartland Community Health Care will be on-site Saturday, October 24th from 5-7pm to offer vaccinations and check blood pressure. They will file all the paperwork needed for your insurance. If you have questions or certain needs, please email us at info@stullcoff.com.

Want to receive the newsletter via e-mail and also get special newsletters, please contact Carolyn at 785-925-0190 or cwulfskuhle@lpa-s.com. Help save a tree and postage.

PRAYERS: for everyone traveling, Wayne Conger, and the extreme heat in Europe.

INDEPENDENCE DAY

It's the Fourth of July
It's time to fly the flags high.
So, we can celebrate Independence Day.

Parades with big bands
Parents holding young hands.
Can be seen on Independence Day

Picnics in the park
Everyone waiting until dark.
Seeing fireworks on Independence Day

Enjoying the sound
And the colorful spectacle all around
It's the special joy of Independence Day.
